

Practical Nursing
Advisement Packet & Application for Admission

Campuses: Muskogee – Sallisaw – Stilwell – Tahlequah

Indian Capital Technology Center offers the practical nursing career major on each of its four campuses. Students enrolled in this career major will have the opportunity to obtain skills required to practice as a practical nurse. Students will work with physicians, nurses, and other members of the health care team in a clinical environment. The curriculum is rigorous and consists of classroom, lab, and relevant clinical instruction in a variety of clinical areas. The career major is designed to prepare students to utilize communication and critical thinking skills as they provide quality patient care. Upon successful completion, graduates may be eligible to take the National Council Licensure Exam (NLCEX-PN) and apply for licensure as a practical nurse.

Classroom and clinical hours vary on each campus, but are generally between 8:00 a.m. and 3:00 p.m. on Monday-Friday. Stilwell campus may require some evening clinical hours. The potential exists for some limited learning opportunities that can only be offered during evenings or weekends. In such cases, students are given as much advanced notice as possible.

Instructional format includes lecture, hands-on and interactive activities, laboratory practice, and clinical experience. Clinical experience can be 3 or more days per week at sites located in several counties throughout Eastern Oklahoma and Western Arkansas.

Classes begin July, 2016 on the Muskogee, Sallisaw, & Tahlequah campuses, and in August, 2016 on the Stilwell campus. *Applications for classes beginning in February, 2017 at the Stilwell campus will be available at a later date.*

Nursing transition applicants (only for high school seniors who have completed HCC) should note that the application deadline is February 26, 2016, and classes begin in August, 2016 on the Muskogee campus.

APPLICATION DEADLINE: APRIL 7, 2016

Note: The "Application for Admission" is the only page from this packet that should be returned with other required documents. All other pages may be kept by the applicant for reference.

OKLAHOMA BOARD OF NURSING POLICY
Requirements for Licensure as a Practical Nurse

The Indian Capital Technology Center Practical Nursing Program is approved by the Oklahoma Board of Nursing. Graduates of the state-approved program are eligible to apply to write the National Council Licensure Examination (NCLEX) for practical nurses. Applicants for Oklahoma Licensure must meet all state and federal requirement to hold an Oklahoma license to practice nursing. In addition to completing a state approved nursing education program, requirements include submission of an application for licensure with a criminal history records search and successfully passing the licensure examination. Applicants for practical nurse licensure must also hold a high school diploma or graduate equivalency degree (GED) [59 O.S. 567.5 & 567.6]. To be granted a license, an applicant must have the legal right to reside in the United States (United States Code Chapter 8, Section 1621). The Board has the right to deny a license to an individual with a history of criminal background, disciplinary action of another health-related license or certification, or judicial declaration of mental incompetence [59 O.S. 567.8]. These cases are considered on an individual basis at the time application for licensure is made, with the exception of felony charges. An individual with a felony conviction cannot apply for licensure for at least five years after completion of all sentencing terms unless a presidential or gubernatorial pardon is received [59 O.S. 567.5 & 567.6].

OBN Policy/Guideline #E-05

OBN Approved: 7/ 92; OBN Revised: 9/01, 6/04

General Information

Admission Criteria and Selection	<p><u>ADMISSION CRITERIA</u></p> <ul style="list-style-type: none"> ■ Completed Application ■ High School diploma or GED (as evidenced by transcript)* ■ TEAS scores of 50 on Math <i>AND</i> 60 on Reading <p><u>SELECTION</u></p> <p>All applications meeting the above criteria will be scored according to the "Priority Point System", and ranked according to the number of points received. Highest ranking applicants will then be selected for interviews. ICTC will determine the number of applicants interviewed. A minimum score of 10 on the Interview is required for admission.</p> <p>Following interviews, each applicant's interview points will be added to their "Priority Points" Selection for admission will be based on the TOTAL SCORE (Priority Points plus Interview score). Highest ranking applicants will be admitted.</p> <p>Applicants will be notified of admission or alternate status by letter in May.</p> <p>If selected for admission, continued enrollment is contingent upon a satisfactory background check and sex offender registry check, subsequent clinical placement, and required drug screening.</p> <p>Those chosen for admission will be required to attend orientation in June.</p> <p><i>*Current high school seniors should submit a current high school transcript which indicates anticipated graduation date. Homeschool students should take the GED exam.</i></p>
Cost	<p>Cost of the program is approximately \$5,500.00 (in-district).</p> <ul style="list-style-type: none"> • All students will be required to submit a \$100 deposit to complete the background check and hold the position in the program. An initial payment of \$1,500.00 will be required prior to the first day of class for all students. Students who have secured funding from any entity should contact the bursar's office immediately. Students should not assume that funding will waive the initial \$1,500.00 payment. • All students must follow a specific payment schedule if not paid in full at admission. • Supplies, books, etc. may not be issued for portions of the program until payment is received. • Final grades and transcripts will not be released if a balance remains. <p><i>*Fees & other costs are estimated and subject to change</i></p>
Other	<p>ICTC is not obligated to admit applicants scoring below 50 in Math and/or 60 in Reading on the TEAS, or scoring below 10 on the interview. If positions remain open after all applicants scoring above these levels have been accommodated, ICTC reserves the right to re-open the application period and/or admit applicants scoring below the preferred levels. If these applicants are admitted, ICTC reserves the right to admit contingently and/or on a probationary status and/or set stipulations for admission.</p> <p>The TEAS may be taken two (2) times in a 6-month period; however, applicants who take the exam only 1 time will receive priority in the event of a tie (see "Point Ties" section). When taking the TEAS a second time, the application (and other documents) should not be duplicated. Forms indicating a re-take will be available at the testing site. Additional "Points" will not be awarded with a re-take.</p> <p>An alternate list will remain in effect until the first day of class. Alternates and applicants not admitted to the program should reapply to be considered for later admission.</p> <p>ICTC reserves the right to extend the application period without advance notification.</p>

**GENERAL INFORMATION ABOUT ABILITIES NEEDED FOR SUCCESS IN
HEALTH CAREERS EDUCATION**

A student in health careers education will be learning through direct participation in patient care and as a member of the health care team. To participate effectively as a health care provider, individuals should possess certain abilities which include but may not be limited to:

Vision

adequate to read very small print, diagrams, graphs, and calibrations such as mm and 0.1 ml. Also, must be able to discriminate color changes of skin and body exudates.

Hearing

conversational tones discriminate between different sounds within the body such as breath, heart, fetal heart with use of adaptive medical equipment such as stethoscope; also hear signal alerts on medical machinery.

Smell

to detect and discriminate between odors.

Touch

in order to perceive, through the tactile sense, certain parts of a person's anatomy for the purpose of identifying reference sites for various treatments and/or diagnostic procedures, to collect data during a physical exam, to render personal hygiene measures, etc.

Speak & Write

the predominant language of the geographic area in a clear, concise way during verbal and written communication.

General physical fitness / Gross Motor / Fine Motor

including strength, balance, and agility adequate to endure activities including, but not limited to the following: several consecutive hours of walking, standing, moving, and lifting other persons, pushing and pulling various types of equipment such as wheelchairs, gurneys (stretchers), bending and stooping. Fine motor skills are needed to write, to manipulate small equipment such as syringes, needles, surgical instruments, tubing, etc., and to maintain sterile fields. General physical fitness also including freedom from infectious diseases which pose a significant risk of transmission to others in the work place if reasonable accommodations will not eliminate that risk.

General mental/ emotional fitness

adequate to ensure informed judgment and individual competence on the part of the student in accepting responsibilities, delegating activities to others and providing care to patients.

Basic academic skills

Reading & Math: prefer High School or higher grade equivalency level as evidence on approved program assessment exam(s). Skills should include; penmanship legible; word usage (written & verbal) appropriate and correct within sentence structure, words spelled correctly; ability to read and interpret various forms of written communication; working with whole numbers, fractions, decimals, calculation of such things as IV fluid rates, preparation of medication dosages, applying various formulas to determine body mass, etc.

Failure to submit a clear screen at any time may result in immediate dismissal from ICTC. Expenses associated with such screens are the responsibility of the student.

5. Services for Students Requiring Accommodations

Adult students requiring accommodations are advised to contact Student Services at 918-687-6383 and/or notify the Program Administrator/ Instructor.

6. Financial Aid

The student is ultimately responsible for the payment of all school expenses at the time they are due.

7. Policies and Procedures

Students are expected to comply with all policies and regulations of Indian Capital Technology Center and its health careers programs. Handbooks containing policies and procedures for ICTC students and full-time Adult Health Careers students are available to every student enrolled at www.icctech.com. Students should ensure they obtain and read these documents upon admission. If a student cannot access the handbook for any reason, he/she should notify faculty and request such documents.

8. *Accreditation Status / Disclaimer to Applicants of the OTA Program

The occupational therapy assistant program has applied for accreditation by the Accreditation Council for Occupational Therapy Education (ACOTE) of the American Occupational Therapy Association (AOTA), located at 4720 Montgomery Lane, Suite 200, Bethesda, MD 20814-3449. ACOTE's telephone number c/o AOTA is (301) 652-AOTA and its Web address is www.acoteonline.org. Once accreditation of the program has been obtained, its graduates will be eligible to sit for the national certification examination for the occupational therapy assistant administered by the National Board for Certification in Occupational Therapy (NBCOT). After successful completion of this exam, the individual will be a Certified Occupational Therapy Assistant (COTA). In addition, most states require licensure in order to practice; however, state licenses are usually based on the results of the NBCOT Certification Examination. Note that a felony conviction may affect a graduate's ability to sit for the NBCOT certification examination or attain state licensure. **DISCLAIMER TO ALL APPLICANTS OF THE OTA PROGRAM: ACOTE granted ICTC candidacy status on December 7, 2014. The accreditation status of the program will not be known until Spring, 2016. As stated above, graduates may not sit for national certification if program accreditation is not obtained.**
